FROSTED MAGAZINE FILE - ASSEMBLY INSTRUCTIONS

- 1 Lay the main panel flat with the display area window underneath so you are viewing the inside of the file.

Fold the side panels up vertically.

- 2 Slide the base panel onto the runners located on the bottom of each side panel ensuring the base arrow is pointing downward.

Push and slide the base panel down completely so that the tab locks into the slot.

- 3 Slide the front panel along the runners located on the front of each side panel until the six notches on each side are aligned and it clicks into place.
